

## **GEOL 308 & 308L**

### **Country Project Deliverables**

#### **GEOL 308**

- Individual: Written proposal – 3/10
- Individual: Oral **or** Written submission – final weeks or 5/9
- Group: Class presentation of global region – final week(s)

The last two weeks of class are possibly reserved for presentations, depending upon how many people choose to submit written reports.

#### **GEOL 308L**

- Individual: Community Presentation (not necessarily related to country project); outline due 3/10
- Individual: Written submission – 5/9
- Individual: Oral with written summary – final week(s)

The last two weeks of class are set aside to spend time in the lab working on the country project and geospatial analyses associated with that project. Students will submit a written report, present an oral presentation, and prepare the 1 page summary as well.
